

SCHOOL BOARD POWERS AND RESPONSIBILITIES

The School Board shall have general charge of all the public schools of this unit and shall exercise other responsibilities as specifically provided by laws and regulations.

The Board shall concern itself primarily with broad questions of policy rather than with administrative details. The implementation of policies is an administrative task to be performed by the Superintendent and his/her staff, who shall be held responsible for the effective administration and supervision of the entire school system.

The Board, functioning within the framework of laws, court decisions, attorney generals' opinions, and similar mandates from the state and national levels of government, and recognizing the authority of the state, fulfills its mission as the governing body of a political subdivision by acting as follows in the execution of its duties:

- A. Enacts policy;
- B. Selects, employs and evaluates the Superintendent;
- C. Provides for the planning, expansion, improvement, financing, construction, maintenance and insurance of school buildings and property;
- D. Prescribes the minimum standards needed for the efficient operation and improvement of the school system;
- E. Requires the establishment and maintenance of records, accounts, archives, management methods and procedures necessary to the conduct of school business;
- F. Approves the budget, financial reports, audits, major expenditures, payment of obligations, and policies whereby the administration may formulate procedures, regulations, and other guides for the orderly accomplishment of business;
- G. Estimates the funds necessary from taxes for the operation, support, maintenance and improvement of the school system;
- H. Adopts courses of study in alignment with the system of learning results and other applicable state and federal laws and regulations;
- I. Provides staff and instructional aids;
