

**Board Member Development Opportunities**

On-going development and in-service education are critical aspects of the overall operation of a school system. It is recognized that the board members of this school unit, like administrators, teachers and other school personnel, need to be well informed and to stay current on education issues. Continually enhancing boardsmanship skills is necessary to make each member the best that he/she can be.

Participation is encouraged in appropriate local, regional, state and national programs sponsored by the Maine School Boards Association, the Maine School Management Association, The National School Boards Association and other recognized leaders in education. This board is committed to the further development of its members so that the greatest good can be rendered by them on behalf of the students in our schools.
