

Administration

All administrators are charged with the supervision and direction of the staff under their charge. They will see that district policies, rules, and regulations, the directives of district officers, and the guidelines for the instructional and other programs are observed. Within the framework of board policies and the general rules and regulations set by the superintendent, the administrator may establish and enforce such additional regulations as he/she deems advisable.

All personnel assigned to a school building will be directly responsible to the principal.
