

INTERSCHOLASTIC ATHLETICS

Teams and Team Officers

Procedures will be established by the Director of Athletics for the selection of teams and team officers. Such procedures shall be consistent, fair and equitable. All students involved in athletics and/or other co-curricular activities shall conform to the athletic/co-curricular code and the academic eligibility as established by the administration of the district.

Permission for Participation in Contact Sports

The superintendent is to take such action as necessary to require each student participating in contact sports to present a statement of permission signed by the parent/guardian and a statement from a physician regarding physical ability.

Sunday Activities

No school organization shall rehearse, practice or participate in any activity on Sunday, with the exception of those approved by the administration.
