

ELIGIBILITY FOR ATHLETIC / CO-CURRICULAR ACTIVITIES

The purpose of student support activities is to promote the physical, moral, mental, social and emotional well-being of the individual student. Participants in competitive programs will be expected to display the proper ideals of sportsmanship, ethical conduct and fair play; to show and encourage respect to opposing teams, fellow players, coaches and officials; and finally, to encourage a winning spirit while not losing sight of the above mentioned ideals.

Eligibility:

All students involved in athletics and/or other student activities shall conform to the code and the academic eligibility as established by the administration of the District. Students must be full time students, pursuing a minimum of three (3) courses per quarter and must pass all three to be eligible to participate and those taking four courses will be allowed to fail one course.

Permission for Participation in Athletics:

Any student participation in athletics is required to present a statement of permission signed by his/her parent/guardian and a statement from a physician stating that the student is physically able to participate.

Sunday Activity:

No school organization shall rehearse, practice or participate in any activity on Sunday, with the exception of those approved by the administration.
