

STUDENT DRUG, ALCOHOL AND TOBACCO USE

In order to promote the highest standards of learning, as well as the physical, social and emotional well-being of students, this policy is designed to: aid students in abstaining from the unlawful use of tobacco, alcohol and drugs; provide early intervention when use is detected; and, provide disciplinary action when necessary. Compliance with this policy is mandatory.

Any school staff member who has reason to suspect that a student has violated this policy will report the incident to an appropriate administrator immediately.

A. Prevention

The Maine School Administrative District #49 will provide students with information and activities focused on abstaining from the use of alcohol, drugs and tobacco. Such information and activities will address the legal, social and health consequences of drug, alcohol and tobacco use and will provide information about effective techniques for resisting peer pressure to use illicit drugs, alcohol and tobacco. The Maine School Administrative District #49 will work in partnership with students, parents/guardians and local law enforcement officials to eliminate these risks for all students.

B. Intervention

Information will be provided, as appropriate, about drug, alcohol or tobacco counseling and treatment, and programs that are available to students. Student records concerning interventions shall be kept confidential as required by state and federal laws.

C. Rules and Sanctions

Students are prohibited from consuming, possessing, furnishing, selling, receiving, buying, manufacturing or being under the influence of prohibited substances before, during and after school hours, at school, in any school building, on any school premises, in any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities, off school property at any school-sponsored or school-approved activity, event or function (such as a field trip or athletic event) where students are under the jurisdiction of the school unit, or at any time or place if the conduct directly interferes with the operation, discipline or welfare of the schools.

The term “prohibited substance” shall include, but not be limited to:

1. Alcohol;
2. Scheduled drugs (as defined in 17-A MRSA § 1101);
3. Controlled substances (as defined in the federal Controlled Substances Act, 21 USC § 812)
4. Tobacco products of any kind;

5. Prescription drugs not prescribed and used as prescribed for the student;
6. Any substance which can affect or change a student's mental, physical or behavior pattern, including but not limited to volatile materials such as glue, paint or aerosols (when possessed for the purpose of inhalation) or steroids;
7. Paraphernalia – implements used for distribution or consumption of a prohibited substance; or
8. Any look-alike drug or substance that is described as or is purported to be a prohibited substance defined in this section.

Any violation of the terms of this policy shall constitute sufficient grounds for student discipline, including suspension or expulsion from school. The Maine School Administrative District #49 School Resource Officer or other appropriate law enforcement authority shall also be notified of violations of this policy. Students who participate in extra-curricular athletics or activities are subject to additional rules and sanctions (see Board Policy JICI).

This policy shall be disseminated to students and parents/guardians through means selected by the administration.
