

**MILITARY RECRUITMENT**

The M.S.A.D. #49 school board recognizes the need for cooperation with representatives of the military services and school officials regarding students selecting the military as a career choice. It is the policy of the M.S.A.D. #49 board to allow the military services the same opportunity in meeting with secondary school students as other prospective student employers, such as college recruiters and business/industry representatives. The procedures for the military to visit the secondary school are as follows:

General Policy:

- A. Access to students in the school building during school time
  - a. Military recruiters may meet with students for the purpose of disseminating information and addressing the military as a career choice
- B. Administration of Armed Service Vocational Aptitude Battery Test
  - a. Military recruiters may administer the ASVAB Test through a pre-arranged schedule developed by the military and the guidance/principal's office
- C. Release of lists of students' names and addresses
  - a. The release of student names and addresses shall be governed by the Family Educational Rights and Privacy Act.
